

Wind Energy System Report

Issued under Public Act 206 of 1893.

This report must be completed and attached as part of Form L-4175 (632), *Personal Property Statement*, which is filed with the Assessor in each assessment jurisdiction where Wind Energy Systems are located. You must attach a separate Form 4565 for each real property assessment parcel or legal description where you have Wind Energy System property located within the jurisdiction. The Personal Property Statement, with all required Forms 4565 attached, must be received by the Assessor on or before February 20, 2008. If you have no personal property in the assessment jurisdiction other than that which is reported on a Form 4565, you must fully complete and file Page 1 of the Personal Property Statement (including the reporting of \$-0- cost on lines 10a, 11a, 12a, 13a and 16a), and attach all required Forms 4565, but you are not required to file the other pages of the Statement. When completing Part B below, Site Improvements, you must report the original cost new and acquisition year new of all improvements in accordance with the asset recording methods required under Generally Accepted Accounting Principles (GAAP), but such costs must be reported without adjustment for purchase method, fresh-start or push-down accounting. See the Instructions to Form L-4175 (Form 632) for the proper method of reporting such costs, including, but not limited to, the instructions to **Page 1, Line 6**, and the instructions to **Page 2 - General Instructions to Sections A through F**. If a wind turbine tower has not been placed in service on December 31, 2007, report that facility as Construction in Progress, on Line 14a of the SUMMARY AND CERTIFICATION, in accordance with the instructions for **Page 1, Line 14** to Form L-4175 (Form 632). Do not report Construction in Progress or Buildings on this Form. Buildings located on land not owned by the reporting taxpayer are reported in Section N of form L-4175 (Form 632). Other site improvements are reported in Part B below.

Taxpayer's Business Name		Name of Assessment Jurisdiction where Wind System is located	
Personal Property Parcel Number	County where System is Located	<input type="checkbox"/> City of _____ <input type="checkbox"/> Township of _____	
Telephone Number of person who can arrange site access	Property Parcel Identification Number (PIN) of Real Property where Wind Energy System is located (if assigned)		
Legal Description of land where Wind Energy is located (Complete if no PIN has been assigned. Attach additional sheets if necessary.)			

PART A: EASEMENTS, RIGHTS OF WAY AND/OR LEASEHOLD INTERESTS

Do not report wind turbine towers that were under construction and not "in service" on December 31, 2007.

Number of Wind Turbine Towers in Service on this parcel (completed by taxpayer)

x \$36,400 =

Assessor's Indicated True Cash Value for Part A (completed by assessor)

PART B: SITE IMPROVEMENTS

Include costs for the rotor, drive train, tower, controls, electric interface and tower foundation and all land improvements (except buildings), such as roads, fences and communication facilities. **Enter costs into the column to the right of the corresponding year.**

Year	Original Cost		Assessor's Calculations of True Cash Value
2007		1.00	
2006		.95	
2005		.90	
2004		.85	
2003		.80	
2002		.76	
2001		.70	
2000		.65	
1999		.60	
1998		.56	
1997		.50	
1996		.45	
1995		.40	
1994		.36	
1993		.30	
Prior		.30	
Total Cost Reported		Total True Cash Value	

Taxpayer: Carry the **TOTAL COST REPORTED** for Part B to Line 14a of the Summary and Certification Section of Form L-4175 (Form 632).

Total of True Cash Values from Parts A & B

Assessor: Calculate the True Cash Value from Part B, add that amount to the True Cash Value indicated for Part A and carry the Total to Line 14b of the Summary and Certification Section of Form L-4175 (Form 632).
